"The Breeders Choice"

At less than 2 years of age, Clark has won several groups in Canada and two 5 point majors in the US (shown a total of 5 weekends last year). Pictured going Best of Opposite at the 2005 Canadian Nationals where we quote the critique by English Breeder/Judge Linda Flynn of Linjato Cavaliers:

"Stunning Black & Tan Dog of ideal size being a real toy spaniel. Gorgeous head with those illustrious large dark eyes and just the right amount of cushioning under the eye and correct length of muzzle all framed by beautiful long ear fringes. Good neck flowing into well laid shoulders, good topline, tailset and carriage. Good spring of rib, nice straight front. Completing a beautiful picture was his long, silky straight raven black coat and rich markings, in beautiful condition and presented to perfection. Moved with ease as he flowed around the ring with his well muscled hind quarters."
